## Information for Parents & Guardians

### Responsibility

Parents/guardians must take responsibility for the collection of their child at the end of each session.

### Weather

There is always a possibility of inclement weather, so please ensure children attending activities are dressed appropriately, providing them with the necessary outdoor/all weather clothing. Additionally we advise that children bring their own sun screen.

### Lost Property

Lost property proves a problem each year and there are often large amounts of personal belongings found and not reclaimed. Please ensure that your child has all their belongings at the end of each session.
